Personal information is information that personally identifies an individual, such as a name, residential or email address and includes information relevant to the enrolment process, credit card information, billing records, documentation of a child's learning and development, and recorded information regarding complaints.

Publicly available information, such as information on a public website profile is not considered personal information.

This service only collects personal information when individuals specifically and knowingly elect to provide this, such as when individuals enrol a child in the service, pay fees or subscriptions, and provide health or family information to support the inclusion of a child.

This service complies with the Payment Card Industry Data Security Standards (PCIDSS) when handling credit card transactions and securely stores all credit card information for Direct Debit or credit card payment/efpos payments in accordance with the Fees policy.

Direct communications

This service uses individual's personal information to send information by post, email or telephone. Individuals are provided with an opportunity to elect not to receive such information upon enrolment or through written notification to the service.

What happens with personal information?

This service will strive to let individuals know how any personal information will be used at the time of collection. Individuals will be asked if personal information can be used to establish contact with them regarding other aspects of organisational business. This service will not sell or trade individuals' personal information to other third parties.

This service collects and uses personal information generally to provide individuals with the information and the services they request, to provide appropriate and relevant information pertaining to the education and care of a child/ren, and to continue to improve service quality.

Where is personal information stored?

Personal information is stored in a safe and secure manner, using locked filing cabinets or a password protected database and computer. Information is backed up electronically and securely stored. Data will not be altered or destroyed except in extraordinary circumstances.

Hard copy information is stored at the service, which is secured to prevent entry by unauthorised people. Any personal information not actively being used may be archived, in accordance with regulatory requirements.

Personal information will remain stored in accordance with the NQF record keeping requirements.

Access and updating personal information

Individuals may ask to access, update or delete personal information held about them at any time. Reasonable steps will be taken to verify an individual's identity before granting access, making any corrections to, or deleting information. If a customer wishes to make a complaint, please refer to the Complaints and Feedback Policy.
